Yorkshire fog grass	Grass	Holcus lanatus				X			√	√		

Trees and hedge plants :

<i>Common name</i>	<i>Scientific name</i>	<i>Areas found:</i>	
Ash	Fraxinus excelsior	East boundary hedge	North west boundary hedge.
Birch	Betula		North west boundary hedge.
Cherry sp	Prunus	West boundary near main gate. South east corner & east boundary hedge	Two in north western hedge area.
Dogwood	Cornus	East boundary in hedge	North west boundary hedge.
Elder - common	Sambucus nigra	West boundary hedge	East boundary hedge
Field Maple	Acer campestre	Far south edge near boundary hedge	
Hawthorn	Crataegus monogyna	North, east and west boundary hedges	
Hazel	Corylus avellana	West boundary hedge. North west boundary hedge.	Far south edge near boundary hedge (coppiced)
Holly	Ilex aquifolium	West boundary hedge	North west boundary hedge.
Laurel	Laurus	South & south east boundary hedges	
Oak	Quercus	West boundary hedge	South east corner. Many saplings in all hedges.
Oak - Turkey	Quercus cerris	East boundary in hedge	
Poplar – Italian	Populus Serotina (?)	8 on southern boundary and 20 on eastern boundary hedges	
Rowan	Sorbus aucuparia	Far south edge near boundary hedge	
Spindle	Eunonymus europaeus	Far south edge near boundary hedge	
Sycamore	Acer pseudoplatanus	West boundary hedge. North west boundary hedge.	South east corner. Many saplings in all hedges.
Viburnum sp	Viburnum	Far south edge near boundary hedge
